Write the Vision...

Imagine the power our children will possess when they begin to understand their true identity.

Issues like low self-esteem and bullying can be greatly reduced as confidence and respect for one another's differences can be appreciated all from this simple children's book. The Kingdom Kids, Speak Life Declaration Series seeks to share the message of God's love for His littlest believers, His children. Just as public education is important child growth and development, I believe the need for Christian education is equally imperative in the times that we are living in.

As a former Preschool Teacher, Center Director and Training and Curriculum Specialist, it brings me great joy to step from behind the desk and help share this "wonder-filled" message with children everywhere. I offer free "Author Visits" infused with age appropriate, fun learning reinforcements that encourages a love of God and a love of reading. For more information about how you can sign up, click on the logo below or you can personally give me a call at the number listed on this letter. I love forward to hearing from you. Thank you and God bless!

Terri L. Bell
